"After Maclean's Music breezed 6 furlongs in 1:10 flat, I called Stonestreet and told them, 'he is a different breed, they don't come this fast.'"

"I have never sat on a horse that ran that fast and won so easily. He was just cruising and I never asked him to run and we went in 1:07 2/5. That was unbelievable, I am certain Maclean's Music was a superstar."

"Maclean's Music, those are nice horses. We've had maybe four or five of them. I bought one ... and I also bred to him. They just have a nice way about them. They're good movers who have got a bit of quality. They're going in the right direction."

"Maclean's Music is one of the fastest colts I have been a part of breeding and racing. We knew he was something special, and he proved it. His physical presence alone would entice any mare owner to breed to him, but that coupled with his amazing speed and brilliance? It's the recipe for greatness."
